

PRIVATE DINING

From business meetings in front of the flat screen TV to dinner parties with friends, this flexible space is ideal for all occasions.

Seating up to 14 guests, our new private dining room can be tailored to your needs. This is a light and bright room with its own private entrance, bay windows and terrace.

Our head chef and his skilled team can tailor a menu to your needs. Our focus is on seasonality and only using top-quality ingredients. We offer a wide choice of dishes throughout the day, visit our website for our current menus or talk to us about something bespoke.

GET IN TOUCH

Our friendly and professional team are here to help with planning and execution every step of the way. Hosting a dinner party is what we do best, so we'll make sure we understand your needs and promise an event you'll remember whether that's a buffet and bubbles, or a dinner party. If you need a birthday board, a great DJ recommendation or somewhere that your guests can rest their heads – we've got you covered.
