From business breakfasts to dinner parties, corporate lunches, family get togethers or community projects; our private dining rooms can cater for any event.

The Gold Room offers plenty of space and is multi-functional. With it's own private bar, and space for up to 100, it's great for larger events. If you're looking for a sit down lunch or dinner, tucked away in your own room, our private dining room provides a hidden space where you'll be seen but not heard, seating up to 14 guests

For business events, our day delegate package includes the room 9am-5pm, equipment, refilled tea & coffee, water & pastries. £25pp with buffet lunch or £35pp with a two course lunch.

*Minimum numbers may apply.*

*To include dinner, prices start at £65pp.*

## EXCEPTIONAL HOSPITALITY & GREAT FOOD & DRINK

We love hosting events, and serve honest plates of food, using quality, seasonal ingredients. Our style is relaxed and welcoming, and we work with the best suppliers to ensure our food and drink is top-notch. We're award-winning in sustainability, and constantly look to improve in every way we can.

Eat, drink and indulge with us, from classic Gastro Pub favourites, to modern, healthy dishes – and weekend blow-outs from our chefs' specials that make an occasion memorable.

*We only serve what we want to eat and drink ourselves.*
